Rainbow ice creams

There is nothing more alluring on a hot day than a lick of a rainbow ice cream! These are so much fun, and the colours are totally up to you. You can even mix things up by adding a splash of flavour!

Ingredients

1L vanilla ice cream
Queen Rainbow food colours
4 waffle cones
Baking paper
4 Paddle Pop Sticks

Method

STEP 1

Place each waffle cone in a plastic cup and line with a cone of baking paper.

STEP 2

Soften the ice-cream and divide into 5 bowls. Tint each bowl of ice cream a different colour.

STEP 3

A spoonful at a time, divide the colours between the cones, alternating to create a rainbow.
Place the ice-creams in the freezer and set a timer for 1 hour. When the timer goes off, insert the sticks into the middle of the ice-creams.

STEP 4

When frozen solid, peel off the baking paper and cone to serve.
