This easy, moist cake is bursting with tropical flavour, full of creamy coconut and sharp lime. It's perfect with a cuppa in the afternoon.

Ingredients

Cake

- 185g butter, softened
- 1¼ cups (275g) caster sugar
- 3 large eggs
- 2½ cups (375g) self-raising flour
- ½ cup (125ml) coconut cream
- 2 tbsp (40ml) lime juice
- 2 tbsp water
- 1 tsp Queen Organic Vanilla Bean Paste
- 1 cup (75g) flaked coconut, toasted

Icing

- 1 cup (150g) icing sugar

Method - Cake

STEP 1

Pre-heat the oven to 160C (fan-forced) and lightly grease a 10 cup capacity bundt tin with butter.

STEP 2

In the bowl of an electric mixer, beat the butter until light and creamy then slowly add the sugar, beating until light and fluffy. Add the eggs, one at a time, making sure each one is incorporated before adding another. Scrape down the bowl.

STEP 3

In a separate bowl, stir the coconut cream, lime juice, water and vanilla together. Add half the flour to the mixer and beat it through then add half the coconut cream mixture. Repeat with the remaining ingredients. Take the bowl off the stand and fold through the toasted coconut.
