1 tsp Queen Organic Vanilla Bean Paste  
Queen Green Food Colour

### To decorate

Queen Glamour & Sparkle Sprinkles  
Queen Ready to Roll Icing – Rainbow 5 pack

## Method - Icing & Decorating

Beat butter until pale and creamy, then add icing sugar a few tablespoons at a time. Once all the icing sugar is added, beat until smooth and light in colour. Add Vanilla Bean Paste and cream and whip until buttercream is luscious and thick. Add Green Food Colour and mix until you reach desired shade..

### STEP 2

Knead a small amount of yellow Ready to Roll Icing and roll to about 2mm thick. Use a mini star cutter to cut small stars and set aside to dry. If you don't have a mini star cutter, cut free hand with a small sharp knife.

### STEP 3

Fit a piping bag with a closed star piping tip. Starting from the outside, gently pipe buttercream around cupcake and up on itself two and a half times to create tree shape. Top with a star and use writing icing to create tinsel. Finish with silver balls from Glamour & Sparkle Mix.
